# Detailed Timeline

## Screen 1 - 00:00 - 00:10 (10.0s)

Type: Application screen

Di

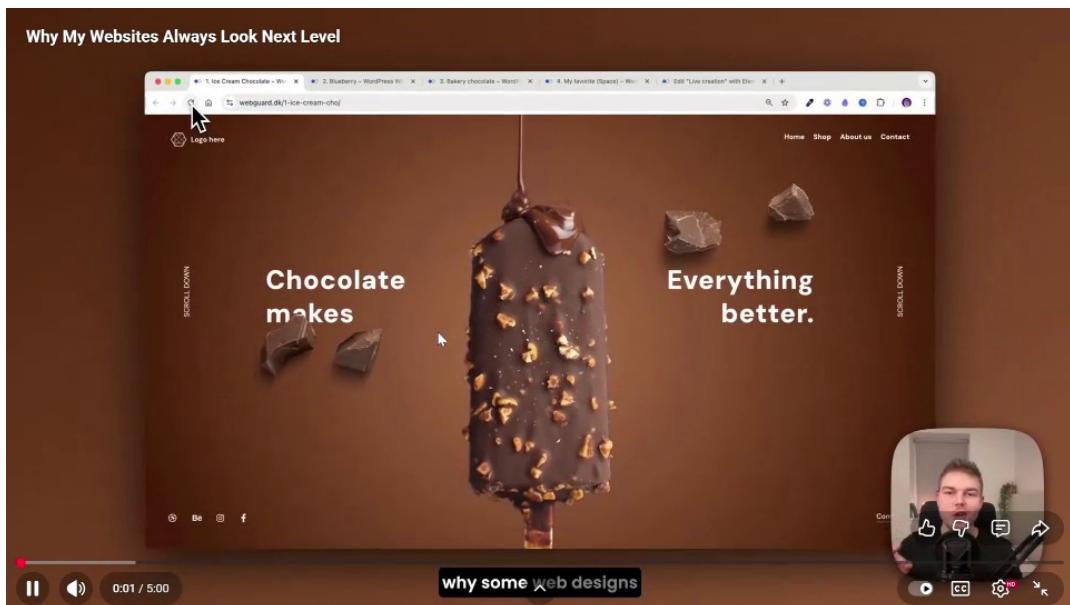

Do you want to know why some web designs always stand out.

**Full Transcript:**

Do you want to know why some web designs always stand out?

## Screen 2 - 00:11 - 00:16 (5.0s)

Type: Application screen

Di

Do you want to know why some web designs always stand out. It comes down to a few simple things that I use in almost every single project.

**Full Transcript:**

Do you want to know why some web designs always stand out? It comes down to a few simple things that I use in almost every single project.

### Screen 3 - 00:17 - 00:19 (2.0s)

Type: Application screen

Di

It comes down to a few simple things that I use in almost every single project.

**Key Topics:**

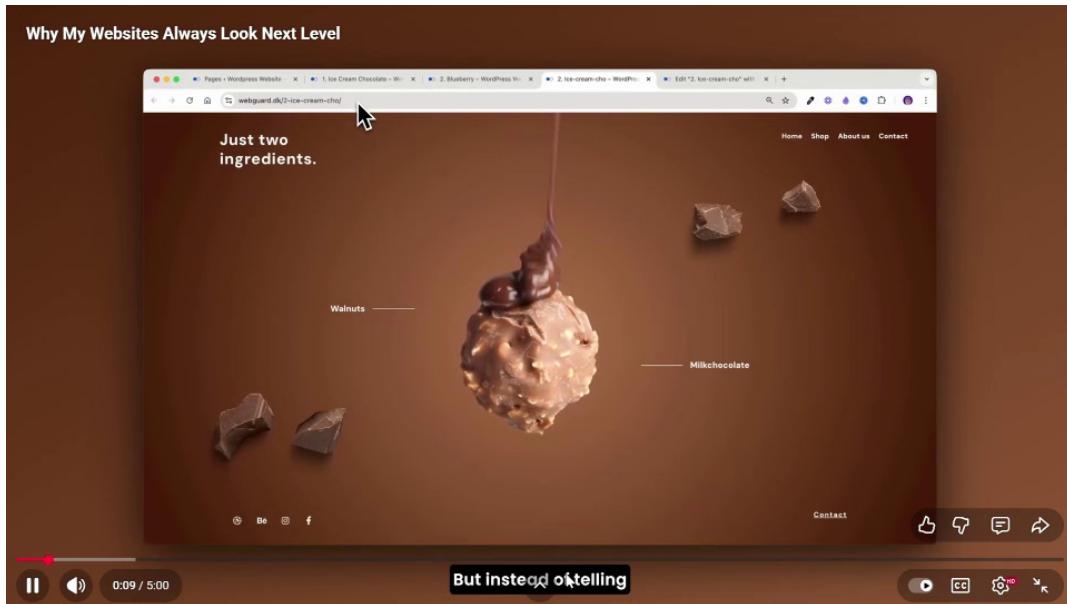

- Demo

**Full Transcript:**

It comes down to a few simple things that I use in almost every single project. But instead of telling you, let me show you.

## Screen 4 - 00:19 - 00:25 (6.0s)

Type: Application screen

Di

But instead of telling you, let me show you. So see if you can spot what these web designs have in common. The first one here makes me so thirsty and I really love this purple background.

But instead of telling you, let me show you. So see if you can spot what these web designs have in common. The first one here makes me so thirsty and I really love this purple background.

## Screen 5 - 00:25 - 00:30 (5.0s)

Type: Application screen

Discussion Summary:

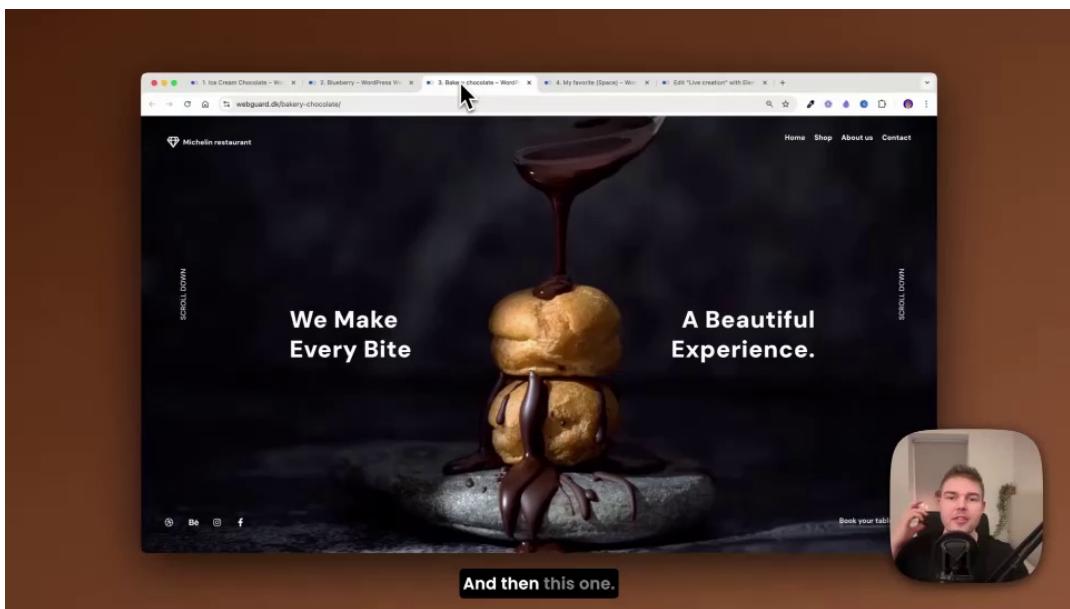

The first one here makes me so thirsty and I really love this purple background. And then this one and remember they all have something in common.

**Full Transcript:**

The first one here makes me so thirsty and I really love this purple background. And then this one and remember they all have something in common.

## Screen 6 - 00:30 - 00:36 (6.0s)

Type: Media player

Di

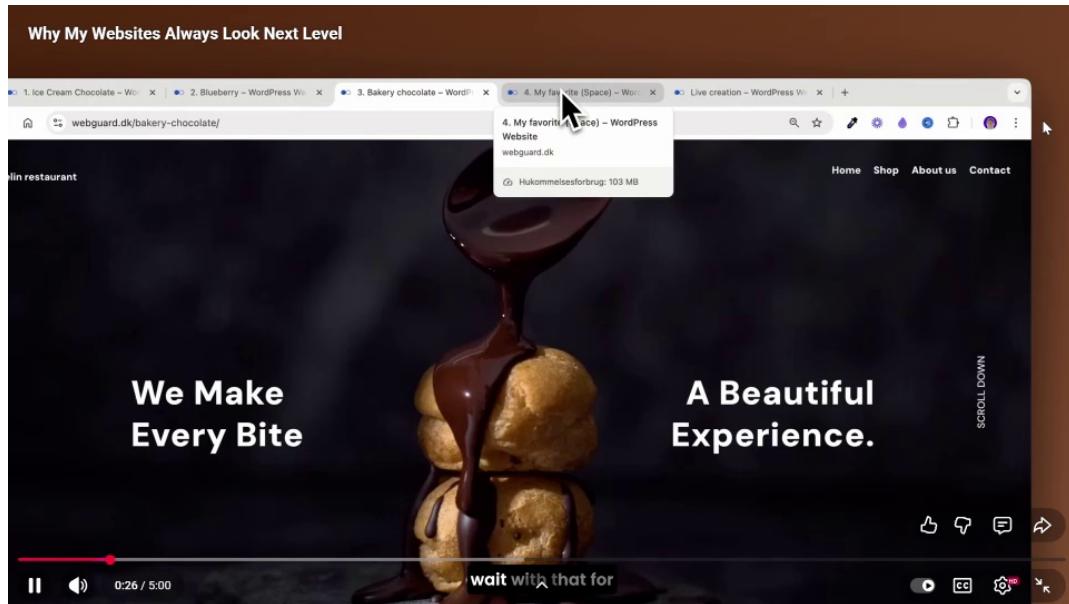

And then this one and remember they all have something in common. The last one here I actually think I will wait with that for later in the video.

**Full Transcript:**

And then this one and remember they all have something in common. The last one here I actually think I will wait with that for later in the video

## Screen 7 - 00:36 - 00:38 (2.0s)

Type: Media player

Di

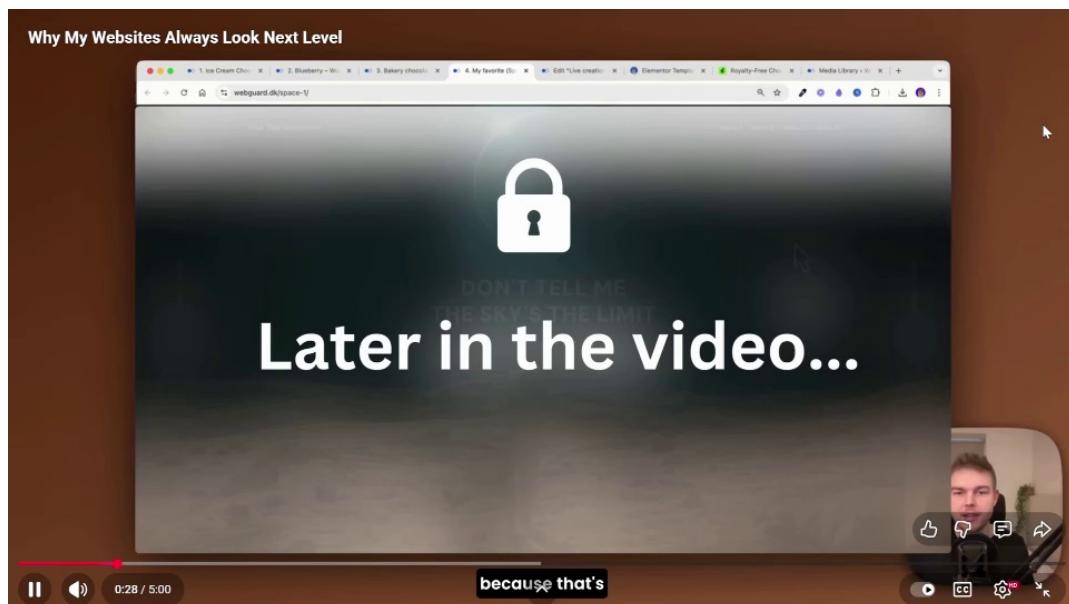

The last one here I actually think I will wait with that for later in the video because that's my favorite one.

**Full Transcript:**

The last one here I actually think I will wait with that for later in the video because that's my favorite one.

## Screen 8 - 00:38 - 00:41 (3.0s)

Type: Application screen

Di

because that's my favorite one. So stick around for that.

**Full Transcript:**

because that's my favorite one. So stick around for that. But did you care?
